

NEW HOPE...

The Village Serkapadi is one of the PVTG village of Sibapadar Gram panchayat of Muniguda block and the village is cover up full of natural scenario. There is a one small PVTG tribal family named Rajani Sikaka and she is living one small hurt with small her family, daily wages is the main income sources of their livelihood and they could not have accessed to any facilities from others. in the year 2019-20 Jayanti was selected for tailoring IGA through VDC members and she has little skill on tailoring management, now she was pour out because daily wages is the main source of her family for livelihood management because as we know that, they have no any other livelihood options for family management

As result Rajani Sikaka strongly decided and started a dressmaking (tailoring) work with the support from OPELIP project the stitching machine and others stitching materials was provided by DKDA-Chatikona and FNGO Shakti Through Serkapadi DKDA GUS and initially she was stitch Chudididar, Blouse, Saya and repairing of old dress/cloths. Through the work she has been able to income Rs 500-600 per week which is very much helpful for her family as result she is able to her family management. Still she is in the process of changing the personal life in all aspect through family support and also support of OPELIP is a medium of the personal and family progress.

OPELIP intervention through SHAKTI FNGO has created a good and new impact. The Case of Rajani Sikaka is example to others towards development process. Here SHAKTI FNGO can see the support of moral and technical to family members which brought to success in life of Rajani Sikaka. The alternative and critically thinking is the example for others to tackle the problems for getting better future and sustainable life with new Hope in her life cycle process.
